MEDICAL CENTER

April 8, 2009

To Whom It May Concern:

I am pleased to offer this letter of recommendation and support for Hospital Housekeeping Systems (HHS). HHS manages and staffs the Housekeeping and Linen Services for Doctors Medical Center, and has done so since June 2, 1999.

HHS is willing to work with us to manage costs while providing high quality housekeeping and linen services to our facility. They are responsive to service requests and work closely with our Environment of Care Committee and Infection Control departments to provide a clean, sanitary environment for our patients, visitors, and staff.

Hospital Administration is pleased with the cooperation, flexibility and expertise demonstrated by the HHS management staff. Based on my experience with the local and corporate management team, I recommend HHS as a quality partner for Housekeeping Services.

Sincerely,

Michele West  
Chief Human Resources Officer
